No Refunds.

PAYMENTS ARE NONREFUNDABLE AND THERE ARE NO REFUNDS OR CREDITS FOR PARTIALLY USED PERIODS.

NO REFUNDS. Our Advisors/Coaches will do everything within their ability to ensure the Client's satisfaction with their Degree Program. Coaches expect that the Client will do the same. Refunds will not be issued for advising/coaching.

Changing Degree Programs.

Once becoming a Client, changing degree programs (e.g., Liberal Arts to Business, etc.) or deciding to graduate from a different college/University altogether is not classified as a basic Homeschool or Adult consultation, nor is this service option included in the purchase of your initial Strategic Degree Plan Package.

Changing degree programs and/or schools will require a new Strategic Degree Planning Package. Our Strategic Degree Planning Package is for consultation/coaching services on 1 Bachelor's Degree Program only, which is determined at the time of the initial Strategic Degree Planning consultation. Should you decide to change your program and/or school, it will be treated as a new full Strategic Degree Planning session, and you will be invoiced accordingly.

Inactivity or Quitting Your Degree Program.

If you withdraw or defer from Smarter by 1 Degree's Program, you will not be eligible for a refund.

Due to the nature of the services and products provided to our Clients, should you decide to take a completely new direction with your education and no longer require our services, we will remove access to your Student Degree Plan, other applicable service documents, and any other value-added services previously provided (e.g., VIP Facebook Group, etc.).

After 180 days, if we have not received any contact from you on progress in your Degree Program, we will temporarily turn off access to your Student Degree Plan, other applicable service documents, and any other value-added services previously provided (e.g., VIP Facebook Group, etc.) until you reach out to us directly through your Student Degree Plan or via support@smarterby1degree.com. After 1 year of no contact, we will consider our services fully rendered and end our contract. A new Strategic Degree Planning session would be required to re-enter our program.
